* Tradeo does not charge processing fees on deposits. Please note however that charges may be applied by the issuing, intermediary and/or beneficiary bank (in case of bank transfers) or by the relevant payment processor (in case of card deposits and e-payment deposits), resulting in a smaller amount that you deposited.

**These charges include all bank/payment processors' fees and Tradeo processing fees.

*** \$ 50.00 / € 45.00 / £40.00 for the first 90 days of inactivity and \$ 50.00 / € 45.00 / £40.00 per 30 days for any additional days of inactivity, including partial charges (e.g. EUR account that is inactive for 105 days will be charged €45 for the first 90 days of inactivity and €22.5 for the remaining 15 days).

**** Deposits made in a currency other than the currency of your trading account will be converted into your account's currency using the reference rate of the European Central Bank from the previous day +0.5%

conversion fee. If deposits are made in a currency other than the currency of our bank account, funds will be automatically converted at our bank's current exchange rate, which may be less favorable to you.

**** **Examples for swaps' fees calculation:**

Example A: A Customer deposited USD 100 in a trading account and decide to invest USD50 on a EUR/USD trade. On midnight, if the swap charge is 1% of the investment amount, that the Customer will be charged a USD 0.50 of swap charge for every night this position is open.

Example B: A Customer deposited USD 100 in a trading account and decide to invest all USD 100 on a EUR/USD trade. On midnight, if the swap charge is 1% of the investment amount, that the Customer will be charged a USD 1 of swap charge for every night this position is open. However, since all available funds are invested in this trade and this charge cannot be paid, then the position will automatically close on midnight.
